

Doctorate Enrollment

Students admitted into a doctorate program shall enroll annually for academic doctorate tutelage. Enrollment is formalized through the self-enrollment application or by means of an [application ANNEX VI](#), sent to the Post-Graduate Office.

The steps you must follow to formalize self-enrollment are:

1. [Apply for a service account at:](#)
2. [Make an appointment for self-enrollment at:](#) A date and time will be randomly assigned, as of which point you may enroll.
3. As of the date and time indicated in the appointment, [self-enroll](#).
